

Biodegradable, 100% natural, organic soy candles from **Dirt Candles** are made in Florida of soybeans grown in the United States without any genetic modification. The fragrances are made with essential oils, organic ingredients and naturally derived synthetics. The labels are made from corn and printed with soy inks, and the packaging is made from 100% recycled paperboard. Candles are sold in cases of six per scent for \$72 wholesale. The minimum opening order is six cases, and the lead time is two to three days. See the company in Atlanta, Chicago, Columbus (Ohio), Los Angeles and New York.

DECORATIVE ACCESSORIES

Green & Proud

Made with a hammer and chisel in Haiti, this iron wall sculpture (\$34 wholesale) from **Beyond Borders** is made from a recycled 55-gallon oil barrel. Measuring 23 inches in diameter, it can be used indoors or outdoors. Each piece is signed by the artist. The company has a \$150 first-order requirement, and the lead time is three days. See it in Las Vegas, Los Angeles, San Francisco and Seattle.

Caffco designed this wooden photo frame (\$16.50 wholesale). It is handmade in the Philippines and decorated with reclaimed metal bottle caps. The minimum opening order is \$250, and the lead time is one to two weeks. Visit showrooms in Atlanta, Columbus (Ohio), Dallas, Denver, Montgomery (Ala.) and Seattle.

This set of four goblets from **The Green Glass Co.** is part of the Willow collection. Mostly handmade in Wisconsin, the pieces are created from reclaimed Napa Valley wine bottles. The set wholesales for \$90. Other eco-friendly glassware is available in various colors and styles. The opening-

These bamboo vases from **Lunares** are handmade of
